RE: **Revised 2007 1st Quarter Building Report Including New Building Permit Types**

Attached/enclosed please find a revised 2007 1st Quarter Albemarle County Building Report. Please note that there has been a revision to the data totals in Table I and Table V. In addition, there are two new building permit types that are new to the report as of January 2007. The new building permit types described below are for new Single-Family Condominiums (SFC) and Single-Family Condominium Conversions (SFCC).

SFC – Individually owned units which are attached to other units vertically and/or horizontally. The boundaries of the property and ownership are defined by the walls of the unit.

SFCC – Conversion of an existing rental (typically multi-family apartment) unit to a single-family condominium unit.

Should you have any questions regarding these reports and/or changes, please contact Rod Burton at 434-296-5832 or rburton@albemarle.org.
