Re: Supporting documents for Board meeting

Attached are 6 supporting documents for the Middle School Program Review and Scheduling Considerations on the Board agenda for Monday, February 28, 2005. The attached items include:

1. Summary of Impact: Implementation of 2004-2005 Middle School Report Recommendations
2. Achievement Gap Trend Data – Economically Disadvantaged
3. Standards of Learning Pass Rate Trend Data
4. Exploratory Offerings and Participation Data
5. Visual and Performing Arts Instructional Time
6. Sample Student Block Schedules

Information contained in these documents will be referenced during the Board meeting on Monday. If you have any questions that you would like answered prior to the meeting on Monday, please let me know.
